

Dear local resident,

We would like to keep you informed of any works that are due to take place in the near future regarding the Ketch Junction Scheme. In the next few days, the Contractor will be moving into the area known as Phase 3.2, shown highlighted and outlined on the sketch below. The Contractor will be stripping out the topsoil, removing material and installing the necessary construction layers in advance of further works later this year.

Please accept our apologies in advance for the disruptive nature of these necessary works, if you require any further information then please email: wt@worcestershire.gov.uk

Thank you
